

OUR STORY

Our love for food started at an early age around the kitchen table with our family. Growing up, family meals were an important part of our lives. Eating together helped us stay connected even if it was just an hour a day. We wanted to honor family meals, and the impact they made on our lives. We hope that dining at Ellie's Farmhouse will give you the same opportunity to create fond memories of meals with your family and friends as they have done for us. Enjoy your time together!
